HQMC DCIPS Fwd 4.0 & Casualty Reporting Brief

Updated as of December 2008

Personnel Casualty Report (PCR)

- **Primary source of information** used in notifying the NOK

UNCLASSIFIED

- Administrative rather than operational
  - Sent immediately to MRPC from the reporting unit
  - Contains accurate/verified information
  - CACO will not conduct notification without one, time sensitive

Personnel Casualty Report (PCR)

- Call MRPC IMMEDIATELY (Within 1 hour to report incident)
  - Provide 5 w's about incident
  - Does not satisfy reporting requirement, must send PCR
- Speed becomes essential in communicating information to NOK

Notification for Injured/Ill

- MARADMIN 752/07
  - MRPC will conduct telephonic notification to NOK of Marines and Sailors reported as:
    - VSI
    - SI
    - WIA
  - Commands will notify MRPC via heads-up voice report
  - PCR will be generated by the reporting command containing circumstances, prognosis, diagnosis, location, MEDEVAC plans and any other pertinent information

Notification for Injured/Ill (Cont)

- Notification Procedures:
  - PNOK and SNOK will be notified by telephone between 0500 and 2400
  - NOK will be provided with a 24 hour toll free number to call for updates
  - Families of VSI patients will be contacted twice daily with updates; SI patients - once a day
  - MRPC will maintain communication w/NOK until the Marine is returned to duty, placed on convalescent leave, or the family is at bedside

Notification for Injured/Ill (Cont)

- Supplemental PCRs will be required at least weekly or when any of the following occurs:
  - Status Change
  - Transfer to another MTF
  - Arrival at MTF
  - Returned to Duty (Final PCR)
  - Placed on Convalescent Leave (Final PCR)
- While in theater (OEF/OIF), the forward command element will generate PCRs

Notification for Injured/Ill (Cont)

- Once MEDEVAC out of theater, Hospital Liaison Teams/Patient Administration Teams will generate PCRs.
- NOK of WIA (NSI) will be notified unless specifically stated on PCR “SNM has contacted NOK and does not desire further notification” or “SNM does not desire NOK notification”.
- NOK of Navy Personnel assigned to Marine units will be notified by MRPC. Once notification is complete, all information will be turned over to Navy Casualty for further action with the NOK.

Notification for Injured/Ill (Cont)

- MRPC will be the NOK's single point of contact for the medical status of the Marine
- Marine's command will be informed when NOK notification is completed
- Commands may call NOK to offer support after MRPC has conducted notification. Questions regarding status should be directed to MRPC
- When applicable, the ITO process will be initiated upon completion of notification to the NOK

Administrative Actions

- **Parent Command, Reporting Command, and Personnel Administrative Centers (PAC) provide responsible MEF and MRPC the following:**
  - **Last signed RED (DD Form 93)**
  - **Last Signed SGLV 8286**
  - **Page 3 (Chronological Record)**
  - **DD Form 1966 (Enlisted)**
    - **NAVMC 763 (Officers)**

THIS IS TIME SENSITIVE INFORMATION

PAC(s) must have after hours access

Types of Reports

- Initial
  - Hasty report except for SPECPAT
- Supplemental
  - DUSTWUN – daily
  - Anytime there is a change, one will be submitted
    - Change of status
    - Change of location
- Multiple Casualty report (5 or more)

PCR Administrative Requirements

- PCR Report Number
  - MARADMIN 226/07
  - MCC / last 2 of CY / # designator
    - ex, V1807001
    - SUPP – add A to Z
      - ex, V1807001A
- PCR Title (email subj line)
  - DCIPS Fwd 4.0 generates and populates for user

PCR Administrative Requirements

- Hasty Report first
  - Primary for OEF/OIF
  - RBE can submit SUPP to add or change information
  - MRPC interconnectivity, no need to include award info, etc. slow down process
  - Include POC information in the circumstances block (item #39) for NOK and CACO

PCR Administrative Requirements

- Track PCR(s) to closeout
  - PCR will not be closed while Marine is in medical pipeline for original injury
    - Returned to full duty or released on Convalescent Leave

PCR Administrative Requirements

- PCR Distribution group
  - Available through Global Address List

Casualty PCR USMC-Deceased

Casualty PCR USMC-INJ_ILL_WIA

Casualty PCR USA_USN_USAF-Deceased

Casualty PCR USA_USN_USAF-INJ_ILL_WIA

Reportable Casualty Status

- Terms used to classify a casualty
- Assigned by medical attending physician, ref. DoDI 1300.18
  - **Not Seriously Injured (NSI)**
  - **Seriously Ill or Injured (SI)**
  - **Very Seriously Ill or Injured (VSI)**
  - **Special Patient (SPECPAT)**
  - **Duty Status Whereabouts Unknown (DUSTWUN)**
  - **Missing**
  - **Deceased**
- For reporting purposes (OEF/OIF):
  - Non-Hostile (only SI and above)
  - Hostile (all casualties are

Reportable Casualty Status (cont'd)

- Duty Status:
  - Active Duty
  - SMCR
  - Retired (GO or former SgtMaj of the MC)
  - Veteran (120-Day death, MoH, POW)
  - Civilian contractor(s)
  - Family members

OEF/OIF After Action Issues

- DWRIA / KIA
  - DWRIA = Died in a Medical treatment facility
  - KIA = Died outside of a Medical treatment facility
- Accurate and verified information only!
- Hostile/Non-hostile
  - Conflicting information
  - Friendly Fire Incidents

Investigations

- **As a result of recent Congressional hearings, new policy regarding command casualty & investigation reporting and notification requirements is as follows:**
  - **Preliminary Investigations (PI) will be conducted on all deaths, injuries/illnesses per the JAGMAN**
  - **Command Investigations (CI) will be conducted when warranted as per the JAGMAN**
  - **Initiation date, status, completion and findings will be documented on a PCR and forwarded to MRPC**

Investigations (cont'd)

- **Commanders will generate Notice of Investigation and Status of Investigation letters to the NOK (copy to MRPC) as per the P3040.4**

- **MRPC will ensure redacted copies of completed investigations are provided to NOK via the CACO; personal delivery by qualified personnel may be warranted**

- **Marine Corps Bulletin 3040 (MARADMIN 592/07) and White Letter No. 04-07 provide detailed coordinating instructions to fulfill this new requirement; additional guidance may follow completion of IGMC report**

Friendly Fire Reporting

- As per MCO P3040.4, units will immediately notify MRPC telephonically, then PCR of all suspected / known incidents

- A Friendly Fire incident is a Hostile incident
- Accurate and verified information only
- DCIPS-Fwd reporting
  - Casualty Type = “Hostile”
  - Inflicting Force = “U.S. Forces (Buddy)” “Allied Forces (Amigo)”

Friendly Fire Reporting (cont'd)

- Remarks Block will contain initial status of Investigation

- PCR(s) and voice reports will be submitted to MRPC:
  - Date Investigation Initiated
  - Type of Investigation
  - Date Investigation Completed
  - Findings of the Investigation
    - "Inflicting Force" will be updated on PCR

Pre-deployment preparations

- Administrative audits / briefs by Personnel Administrative Centers
  - 100% on REDs and SGLI docs. Update every 3 months if possible
  - Parent Commands provide follow on, or case specific info, after casualty
    - Marine married after audit, etc

Pre-deployment preparations (cont'd)

- Who is your casualty SNCO back home?

Remain Behind Element
- Trained and Capable
- DCIPS Fwd 4.0
- Injured/Ill Patient Tracker (IIPT)

DCIPS Fwd 4.0

- Units are only required to report basic personnel and incident data
  - **Drop down and free text boxes similar to PES**
  - **NMCI certification not required**
  - **Casualty PCR (USMC) - Deceased or Inj/Ill/WIA distribution groups; other Services' groups available**
  - **One file download includes database**
- To download DCIPS Fwd:
  - **Go to www.manpower.usmc.mil**
    - **Casualty Assistance**
      - **Information for Administrators**

Injured/Ill Patient Tracker (IIPT)

- IIPT is controlled by Manpower Information System Support Agency (MISSA)
- IIPT requires CAC access
- IIPT Website, primary vehicle used by the Wounded Warrior Regiment
- Reporting must continue post-MTF via PCR(s) and IIPT

Injured/Ill Patient Tracker (cont'd)

- In order to get access (or for administrative issues) to the IIPT tracker contact MISSA
  - Tel: 816-926-6201/5078
  - POC: Maj J.S. Postorino or Mr. Alfred Ortega

- Tracking of Injured/Ill Marines is an administrative responsibility until:
  - Returned to full duty / goes on Convalescent Leave
  - Supplemental PCR / IIPT

Problem Areas

- SGLV 8286 v. The RED
  - Incorrect RED information
- Not sending required Doc's from SRB/OQR
- Not Dropping Marine to Deceased
- Not sending SRB's to MRPC
- Communication with Casualty Section
- Ensure Medical/Dental records Fedex'd to Dover for positive ID
